

October 2014

Dear Colleague

Introduction – Triodia Services

We are pleased to take this opportunity to introduce Triodia (ABN: 41 617 408 598), an award winning sandbagging and landscaping specialist servicing the Northern Territory and other regions across Australia.

Triodia is a 100% Indigenous owned company with a combination of over 20 years' experience in sandbagging and landscaping, providing services which includes:

- **Sandbagging** solutions in flood management, river pollution control, barriers and construction (including pipe laying)
- **Landscaping** solutions in relation to project management of both small and large areas including national parks, schools, community developments and revegetation
- **Expert Advice** and training services in relation to general horticulture, conservation and native land management

We ensure that our clients are satisfied by offering premium quality services at affordable prices supported by excellent customer service and expert advice.

Our senior executive, Mr Don Duggan has over 20 years' combined experience in sandbagging and land management.

Our clients include major corporates and communities including INPEX, Leightons, UGL, CH2MHILL and the Department of Defence.

We have attached our Capability Statement for your consideration and we look forward to meeting with you and your colleagues in the near future and to a more formal introduction to our representatives and our leading services.

Yours sincerely,

Don Duggan
